Guest Speaker : Mike Van't Hul (USA)

Following a radical encounter with the Lord, Mike left his secular job in the USA to pursue the call of God on his life.

He moved to China with his wife and kids, where he founded Loaves and Fishes International, focusing on the care of orphans, widows and the poor in the community and around the world.

Mike has demonstrated a profound commitment to seeing lives, marriages, families, cities, and nations impacted by the power and presence of Jesus
